

High Adventure Activity Forms

As of October 2021, all events need to be submitted using the new Event Creation Platform on TLC. If you have already put the event on the TLC calendar, you will need to go back in and select the activities you are planning so it will prompt you for the correct forms. You can see details in:

TLC >Help (at bottom of left side dashboard menu)

>Help Videos & Documents

"Communications" section - "Enhanced Calendar Event Creation"

Have a great day & Walk Worthy!
